ATUL KOCHHAR'S KANISHKA KITCHEN

You'll find chopsticks, nestled amongst more traditional Indian dishes, curries and beautifully spiced specialities.

Come on a journey with me.

KANISHKA BREAD

I am talking some serious dough here...

We are famous for our bread, using traditional techniques and recipes. We love to take traditional breads from antiquity and mix them with new ingredients... India has always been influenced by travellers... along the silk and spice routes... and I am continuing this tradition today.

Enjoy!
